

Living our Brand: Building Green

Yvonne Clay, Vice President
WestLake Property Management

August 23rd, 2007

Pillars of our brand

Our commitment to green

Energy Efficiency

- Offset global emissions growth by 50%
- 5 million tons of sustainable reductions

Energy Savings

- Over \$1 billion from \$170 million investment
- \$100 million for energy saving investments

Alternative Energy

- \$8 billion investment over 10 years
- \$1.6 billion planned for 2008

Campus redevelopment

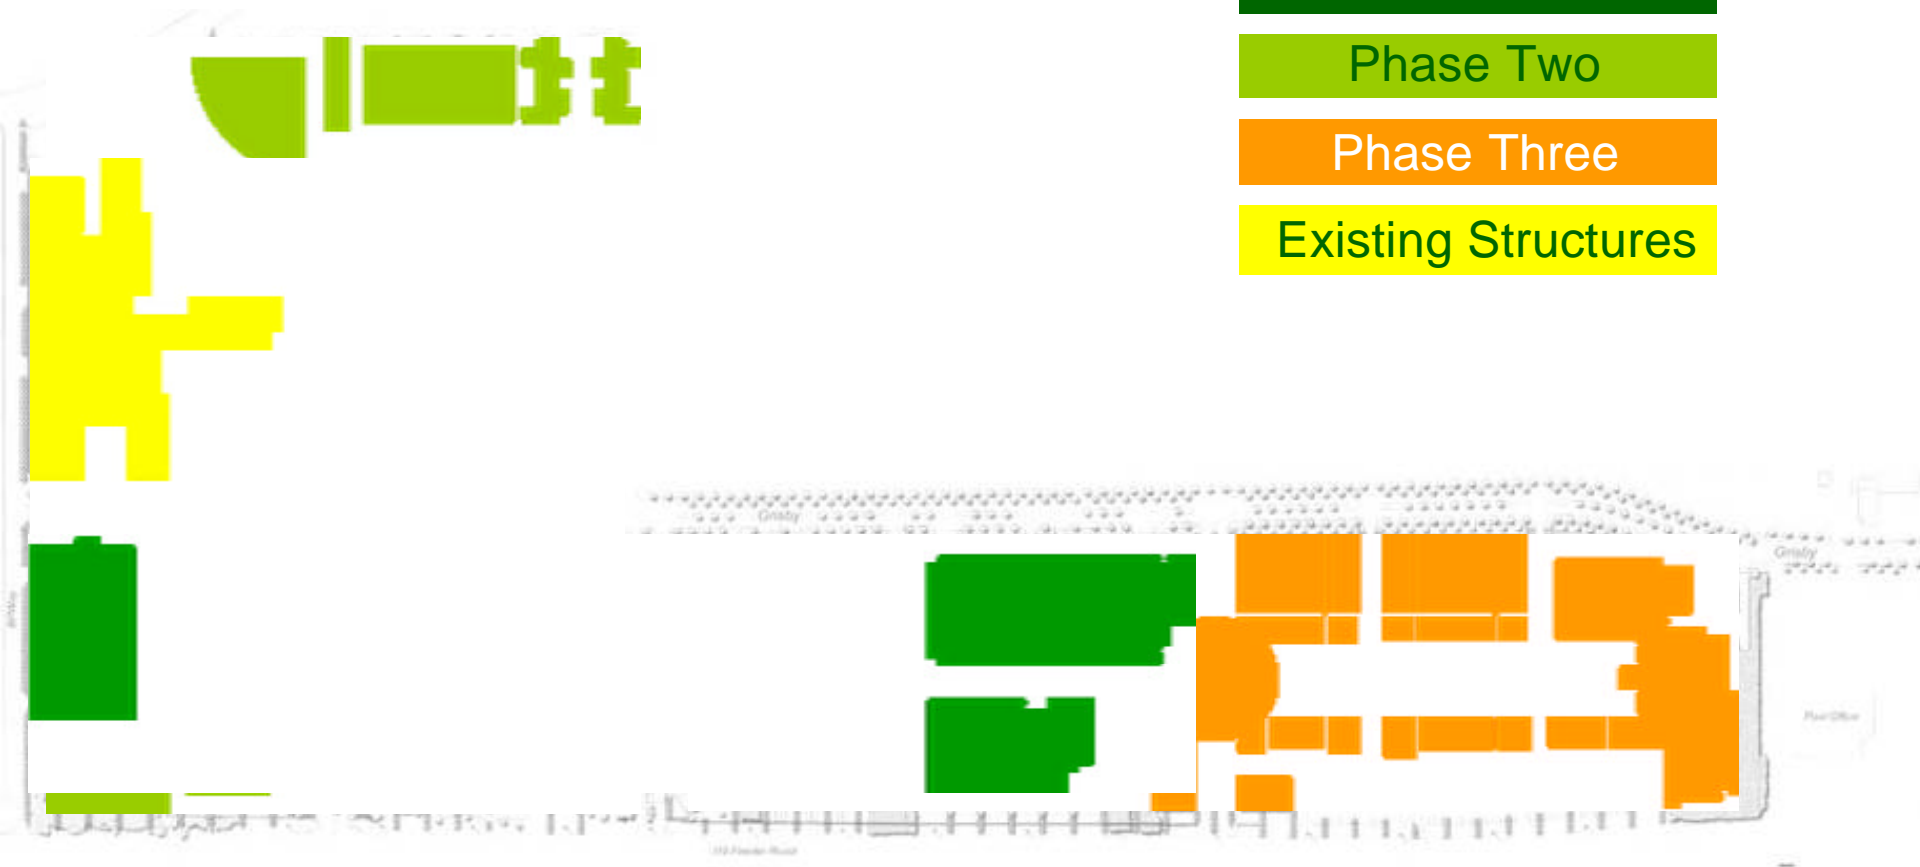

Phase One

Phase Two

Phase Three

Existing Structures

North America Gas and Power - trading building (Conceptual drawing)

LEED guidelines

Green campus considerations

Highly immersed collaboration environment

Green work environments

- **100% recyclable carpet squares**
- **Recycled ergonomic furniture**
 - 90% recycled work surface
 - 30% steel framing
 - 30% ceiling tiles
- **Low odor, low or no VOC paint**
- **Automatic occupancy lighting controls**
- **20,000 sq. ft. = 20,000 – 30,000 pounds of recyclable material**

Pillars of our brand
